

ReALCRAFT

**Physical Verification Steps to be
done**

- New Menu is added to Realcraft for Physical Verification of Fishing Vessels.
- Vessel can be searched by File number/ Registration Number
- Only the vessels under the corresponding Registry can be verified by the Verification Officer.
- Verification Page has 8 TABs (Screenshot attached in below slides), all the tabs must be verified before clicking the final submit Tab.
- Each parameter against the vessel is to be verified or updated as per the physical verification
- After verification , data will be forwarded for Approval user
- All forwarded data will be listed under the menu 'Physical Verification → Approval of Physical Verification ' and Approval user can Approve each vessel data through this option
- After Approval, the vessel data will be listed under the menu '**Physical Verification → Update Physical Verification Data**'.

- This Updated data through the menu , Updation of Physical Verification Data' ,the data will be updated with the existing RealCraft data.
- Once the Vessel data updated, Registration Certificate against each vessel may be generated and issued.
- Approval user can Print the certificate through '**Certificate Printing →Registration Certificate**'
- And RC can be Issued from the menu '**Policy Decisions→Issue of Registration Certificate**'
- The Vessel updated list are available to Approval user and State Admin, under the menu '**Physical Verification →Physical Verification Updated list**'

- On verification user click on the menu '**Physical Verification**' and the following page will appear.
- Select '**File no or Reg no**' and click → '**OK**'.

The screenshot shows the REALCRAFT web application interface. At the top, there is a header with the Government of India emblem, the text "GOVERNMENT OF INDIA Department of Fisheries", and the "ReALCRaft" logo with the tagline "(Registration And Licensing of Fishing Craft)". Below the header is a navigation bar with links for "Home", "Physical Verification", and "Logoff". The main content area displays the user's role as "Physical Verifier 1" and the office as "IF 1 Cuddalore". A section titled "Search By Registration number or File number" contains a dropdown menu labeled "Select" with "File no" chosen. Below this is a text input field for "File Number" containing "TN-5383", with an example "(eg:KL-5821)" to its right. A red arrow points to the input field. Below the input field is an "OK" button, which is highlighted with a red box and a red arrow pointing to it.
